## SUMMARY STATEMENT

Over seven years experience in graphic and web design and experience with film and audio production. Excellent sense of professional quality layout and design. Thinks outside the box to invent creative solutions to problems. A valued team member and a driven leader. Detail oriented, highly creative and professional.

## PROFESSIONAL EXPERIENCE

### **ChaseU Media – [www.ChaseU.com](http://www.ChaseU.com) (2001-);**

Freelance service to prospective and recurring clients for graphic and web design (review website for examples of past work).

### **Production Assistant – Leighton Images (2009);**

Worked as a production assistant for the Dempsey Challenge promotional video which included chase car driving, camera operating, lighting, and audio setup.

### **Intern - Wasted Minds Media (2009);**

Aided in producing, directing, and editing short films and television shows for a start up production company based in Portland, Maine. Also designed and built their website, [WastedMindsEntertainment.com](http://WastedMindsEntertainment.com).

### **University of Maine Alumni Association (2006 - 2008);**

Worked closely with the UMAA President and a senior executive to re-design the UMAA website and translate the UMAA Magazine into an online version. Also created a website for the Buchanan Alumni House ([buchananalumnihouse.com](http://buchananalumnihouse.com)).

### **TotallyWebsites Web Design (2004);**

Worked as the lead web and graphic designer at a professional web design company in South Portland, Maine. Designed numerous websites and website elements for various businesses including [totallywebsites.com](http://totallywebsites.com) itself.

### **Judivoice Messaging On Hold (2001-);**

Designed logo and maintain website. Recorded and cut several audio projects including several messages on hold using Adobe Audition.

## AWARDS AND ACHIEVEMENTS

Finalist in a Top Coder Studio website template Competition (2009);

Created a television commercial for the World Food Programme's Hunger Bytes competition which was showcased in a student exhibition (2008);

Designed primary logo elements for the town of Scarborough's 350'th anniversary which appeared on banners, coins, bumper stickers, etc in 2008. Still appears on the towns trashcans. (2005);

Achieved 1<sup>st</sup> place in the Maine Student Web Design Awards for fathers photography site, [PicturesOfMaine.com](http://PicturesOfMaine.com) (2003);
